## The Progress of Disease.

We so unwilling to admit the presence of disease, fall a ready prey to the grim destroyer whose insidious approach, subtle progress and unseen workings, develops such fatal results. Let us be warned in time, lest it be "too late."

### Are You Sure It Is Consumption?

Many thousands fully believe they or their friends are being hurried toward the grave by that terrible disease Consumption, and are being treated for that disease, when they have only CATARRH in some of its many types; the symptoms in many forms of these diseases are quite similar and can easily be mistaken. Catarrh, unalarming in its character and beginnings, neglected, develops and spreads, and in time poisons the vital organs, until it finally is no longer "ONLY CATARRH," but some disease that gives but little hope of health or life. We do not claim to cure Consumption, but are fully convinced from the results of our daily practice that we can save and restore to health many who now feel their case to be hopeless.

## Those Who Doubt

Are cordially invited to read the following authentic and unsolicited letters. We have many thousands. They impart no "shock" whatever, but a really delightful sensation.

NEWARK, N. Y., June 1. I found Dr. Scott's Electric Corsets possessed miraculous power in stimulating and invigorating my enfeebled body and in...  
BROOKLYN, N. Y., June 28. Dr. Scott's Electric Corsets I ordered six months ago have worn splendidly, and have given satisfaction every way. They are the best Corsets I ever wore, aside from their electric qualities, which are truly marvellous. I suffered greatly from rheumatism in my back and limbs, but your Electric Corsets have entirely cured me. They are better than any other Corsets I have ever worn.

HOLLIS CENTRE, ME., August 29. I suffered severely from back trouble for years, and found no relief till I wore Dr. Scott's Electric Corsets. They cured me, and I would not be without them.

PEORIA, ILL., I suffered from kidney, liver and nervous troubles for twelve years. Dr. Scott's Electric Belt entirely cured me, after all other remedies had failed. His Electric Hair Brush has cured my neuralgia.

MEMPHIS, TENN., November 28. Dr. Scott's Electric Corsets have given much relief. I suffered four years with breast trouble without finding any benefit from other remedies. They are invaluable.

HENDERSON, TENN., August 17. I tell my friends I could not part with my Electric Corset and Hair Brush, unless I could obtain others. My wife, Webster Flanagan, Real Estate Operator.

EAST PEPPERELL, MASS., June 29. Here is my experience in wearing Dr. Scott's Electric Corset. I suffered untold pain in my back and sides, so much so that I dreaded lying down at night. I found no relief till wearing your Electric Corset. Since wearing them I have been almost entirely free from those pains. With much gratitude.

My sister suffered constantly with back and spinal trouble, so badly at times that she had to be lifted about. She put on one of your Electric Corsets on Monday, on the following Wednesday, much to my surprise, she was able to get around the house and superintend the cooking and domestic labor. She is now feeling well and is full of gratitude.

(Either Sex) Wanted for Dr. Scott's beautiful Electric Corsets, Belts, Electric Hair, Flesh, and Tooth Brushes, and Insoles. No risk. Quick sales. Satisfaction guaranteed. For terms, address GEO. A. SCOTT, 842 BROADWAY, NEW YORK.

## FREE! The GREATEST BOOK OF MODERN TIMES!

THE REVISED NEW TESTAMENT, that great work which has been so anxiously looked forward to and about which so much has been said and written, and upon which forty learned and eminent divines have labored for ten years, has just been published. It is conceded to be the most important work of modern times, and to great had been the interest excited that the first edition of the Cambridge and Oxford University Press of England, in 200,000 copies. It will undoubtedly find its way into nearly every family in the English-speaking world, and will be regarded as the most valuable of the present generation. It is a revision of the present New Testament, and is a work of great importance. It is a revision of the present New Testament, and is a work of great importance.
